Turkey Country Programme Evaluation (2016-2020)	2019	ayman.ahamed@unfpa.org		Turkey CO	Country Programme Evaluation (CPE)	EECA		Evaluation Coverage Time Period	2016-2020					1/1/2015	5/10/2016	1. Strategic		**Rec.1: The next UNFPA CP should focus on reducing regional inequality and address the needs and priorities of the most vulnerable population. The UNFPA CO should conduct extensive needs assessment and initiate consultation with the key actors.**												Accepted		Turkey CO	High		1.1 CPD design	**1.1 CPD design focus on vulnerable groups**					Research@unfpa.org	6/30/2020	YES				Turkey CO									tulesa@unfpa.org	malam@unfpa.org		
Turkey Country Programme Evaluation (2016-2020)	2019	ayman.ahamed@unfpa.org		Turkey CO	Country Programme Evaluation (CPE)	EECA		Evaluation Coverage Time Period	2016-2020					1/1/2015	5/10/2016	2. Strategic		**Rec.2: UNFPA should consider targeted efforts to benefit and empower the vulnerable groups in case of humanitarian interventions, with a particular emphasis given to the Turkish public and the hosting community, as well.**												Accepted		Turkey CO	High		2.Target groups	**2.1 Design of projects taregting refugee & host community**					Research@unfpa.org	12/30/2020	YES				Turkey CO									tulesa@unfpa.org	malam@unfpa.org		
Turkey Country Programme Evaluation (2016-2020)	2019	ayman.ahamed@unfpa.org		Turkey CO	Country Programme Evaluation (CPE)	EECA		Evaluation Coverage Time Period	2016-2020					1/1/2015	5/10/2016	3. Strategic		**Rec.3: Integrated efforts are necessary to bridge the data gap, also in view of achieving the SDGs. Data collection and analysis, as well as investment cases to certain topics/groups should be included into projects/interventions as much as possible for relevancy, efficiency and advocacy purposes.**												Accepted		Turkey CO	High		3.1 Research	**3.1 Data collection on vulnerable groups**					Research@unfpa.org	12/30/2020	YES				Turkey CO									tulesa@unfpa.org	malam@unfpa.org		
Turkey Country Programme Evaluation (2016-2020)	2019	ayman.ahamed@unfpa.org		Turkey CO	Country Programme Evaluation (CPE)	EECA		Evaluation Coverage Time Period	2016-2020					1/1/2015	5/10/2016	4. Strategic		**Rec.4: Adherence to the International Conventions, commitments should be strongly ensured through both advocacy support and interventions. National priorities and international commitments should be well balanced by the new CP. The compliance both with international conventions and national priorities would be an important basis for the successful programming.**												Accepted		Turkey CO	Medium		4.1 Alignment with international conventions	**4.1 CPD design in line with international and national priorities**					Research@unfpa.org	6/30/2020	YES				Turkey CO									tulesa@unfpa.org	malam@unfpa.org		
Turkey Country Programme Evaluation (2016-2020)	2019	ayman.ahamed@unfpa.org		Turkey CO	Country Programme Evaluation (CPE)	EECA		Evaluation Coverage Time Period	2016-2020					1/1/2015	5/10/2016	5. Strategic		**Rec.5: The UNFPA CO should further strengthen outcome and result-based monitoring as well as strengthening qualitative assessment.**												Accepted		Turkey CO	Medium		5.1 M&E	**5.2 M&E staff hired**					Research@unfpa.org	6/30/2020	YES				Turkey CO									tulesa@unfpa.org	malam@unfpa.org		
Turkey Country Programme Evaluation (2016-2020)	2019	ayman.ahamed@unfpa.org		Turkey CO	Country Programme Evaluation (CPE)	EECA		Evaluation Coverage Time Period	2016-2020					1/1/2015	5/10/2016	6. Strategic		**Rec 6: Factors promoting sustainability should be carefully designed in the framework of "Sustainability and Exit Plan" to include the followings, since UNFPA partners' ownership and commitment are variable and follow-up mechanisms are necessary to sustain prog.e outcomes; (i) commitment to outcomes, (ii) capacity of stakeholders/NPs, (iii) strength of follow-up, and (iv) level of investment by partners.**												Accepted		Turkey CO	Medium		6.1 Sustainability	**6.2 All projects have exit plan**					Research@unfpa.org	12/30/2021	YES				Turkey CO									tulesa@unfpa.org	malam@unfpa.org		
Turkey Country Programme Evaluation (2016-2020)	2019	ayman.ahamed@unfpa.org		Turkey CO	Country Programme Evaluation (CPE)	EECA		Evaluation Coverage Time Period	2016-2020					1/1/2015	5/10/2016	7. Strategic		**Rec.7: There would be a need to extend the coverage of institutional cooperation and partnerships in the area of SRH and GEWE to strengthen the alignment and relevance of the next CP. Distance between universities and civil society and the private sector has been diminished along with very valuable examples (i.e. BADV), and shall be disseminated.**												Accepted		Turkey CO	Medium		7.1 Synergy	**7.1 Joint SRHGBV programmes**					Research@unfpa.org	12/30/2021	YES				Turkey CO									tulesa@unfpa.org	malam@unfpa.org		
Turkey Country Programme Evaluation (2016-2020)	2019	ayman.ahamed@unfpa.org		Turkey CO	Country Programme Evaluation (CPE)	EECA		Evaluation Coverage Time Period	2016-2020					1/1/2015	5/10/2016	8. Strategic		**Rec.8: UNFPA should increase its advocacy effort in programmatic areas in a more integrated programming way and/or through the joint programmes with other UN agencies. Effectively coordinated communication strategy and promotion, visibility activities need to be developed and implemented, since on-going fragmented communication activities diminish the efficiency of spill over effect. The key issue for awareness raising and training programmes is to have regular and refreshing based on lessons learned and feedbacks from both the participants and trainers.**												Accepted		Turkey CO	High		8.1 External relations	**8.1 JP with UN agencies** **8.2 Communication expert hired** **8.3 Review of innovative adult training programmes**					Research@unfpa.org	12/30/2021	YES				Turkey CO									tulesa@unfpa.org	malam@unfpa.org
