Strengthen-Coordination	3.4 Support establishment and functioning inter-sectoral coordination mechanism on Family Planning strategy implementation	12/31/22	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	1. Strategic focus	A3. UNFPA should further strengthen coordination with IPs, government counterparts, sister UN agencies, academic institutions, civil society organizations, other stakeholders and donors through regular meetings and circulation of regular written updates on programmes and achievements	Accepted	Iraq CO	High	3. Strengthen-Coordination	3.5 Support establishment and functioning of youth inter-ministerial coordination mechanism	12/31/22	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	1. Strategic focus	A3. UNFPA should further strengthen coordination with IPs, government counterparts, sister UN agencies, academic institutions, civil society organizations, other stakeholders and donors through regular meetings and circulation of regular written updates on programmes and achievements	Accepted	Iraq CO	High	3. Strengthen-Coordination	3.6 Support establishment and functioning of Higher Population Council	12/31/23	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	1. Strategic focus	A4. UNFPA should increase emphasis on strengthening national capacity for SRH, FP, GBV, youth services and population data, while advocating for greater government budget allocation for these programmes	Accepted	Iraq CO	High	4. National-Capacity-Building	4.1 Support establishment and strengthening of the training department within Ministry of Health and demographic center within Ministry of Planning	12/31/23	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	1. Strategic focus	A4. UNFPA should increase emphasis on strengthening national capacity for SRH, FP, GBV, youth services and population data, while advocating for greater government budget allocation for these programmes	Accepted	Iraq CO	High	4. National-Capacity-Building	4.2 Support capacity building of Ministry of Health through development and implementation of BCC strategy	12/31/22	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	1. Strategic focus	A4. UNFPA should increase emphasis on strengthening national capacity for SRH, FP, GBV, youth services and population data, while advocating for greater government budget allocation for these programmes	Accepted	Iraq CO	High	4. National-Capacity-Building	4.3 Support capacity building of Ministry of Health in provision of counseling to adolescents and youth	12/31/23	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	1. Strategic focus	A4. UNFPA should increase emphasis on strengthening national capacity for SRH, FP, GBV, youth services and population data, while advocating for greater government budget allocation for these programmes	Accepted	Iraq CO	High	4. National-Capacity-Building	4.4 Support capacity building of Government institutions on GBV multi-sectoral response	12/31/24	YES

Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	1. Strategic focus	A4. UNFPA should increase emphasis on strengthening national capacity for SRH, FP, GBV, youth services and population data, while advocating for greater government budget allocation for these programmes	Accepted	Iraq CO	High	4. National-Capacity-Building	4.5 Develop capacities of Central Statistical Office and Kurdistan Statistical Office on population data collection, processing and analysis	12/31/22	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A5: The CP should strengthen the national capacity for knowledge generation and data analysis in Iraq, particularly regarding population dynamics, as well as the national system for monitoring of country progress on post-ICPD agenda and performance, including the ICFD-related SDG indicators	Accepted	Iraq CO	High	5. Knowledge-Management	5.1 Support I-WISH survey and dissemination of results	12/31/21	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A5: The CP should strengthen the national capacity for knowledge generation and data analysis in Iraq, particularly regarding population dynamics, as well as the national system for monitoring of country progress on post-ICPD agenda and performance, including the ICFD-related SDG indicators	Accepted	Iraq CO	High	5. Knowledge-Management	5.2 Support the conduct of thematic surveys and studies to enhance knowledge generation and analysis under RH (In-depth analysis of caesarean sections indication, Miscarriage / abortion in hospital)	12/31/23	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A5: The CP should strengthen the national capacity for knowledge generation and data analysis in Iraq, particularly regarding population dynamics, as well as the national system for monitoring of country progress on post-ICPD agenda and performance, including the ICFD-related SDG indicators	Accepted	Iraq CO	High	5. Knowledge-Management	5.3 Support the conduct of three workshop for the staff of line ministries (Ministry of Health, Ministry of Youth and Sports, Ministry of Planning, Ministry of Labor and Social Affairs, Directorate of Women)	12/31/22	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A5: The CP should strengthen the national capacity for knowledge generation and data analysis in Iraq, particularly regarding population dynamics, as well as the national system for monitoring of country progress on post-ICPD agenda and performance, including the ICFD-related SDG indicators	Accepted	Iraq CO	High	5. Knowledge-Management	5.4 Support Government to develop and disseminate policy briefs and position papers on key population issues	12/31/23	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A5: The CP should strengthen the national capacity for knowledge generation and data analysis in Iraq, particularly regarding population dynamics, as well as the national system for monitoring of country progress on post-ICPD agenda and performance, including the ICFD-related SDG indicators	Accepted	Iraq CO	High	5. Knowledge-Management	5.5 Support Government to adapt GBV information management system	12/31/23	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A6: UNFPA should continue to strengthen CP management, quality assurance and monitoring and evaluation, in a way that promotes systematic cooperation between programmes areas and their integration as well as standardization of approaches between programmes and implementing partners..	Accepted	Iraq CO	High	6. Strengthen-M&E	6.1 Develop CPD costed Evaluation Plan	12/31/21	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A6: UNFPA should continue to strengthen CP management, quality assurance and monitoring and evaluation, in a way that promotes systematic cooperation between programmes areas and their integration as well as standardization of approaches between programmes and implementing partners..	Accepted	Iraq CO	High	6. Strengthen-M&E	6.2 Develop country program M&E framework	12/31/21	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A6: UNFPA should continue to strengthen CP management, quality assurance and monitoring and evaluation, in a way that promotes systematic cooperation between programmes areas and their integration as well as standardization of approaches between programmes and implementing partners..	Accepted	Iraq CO	High	6. Strengthen-M&E	6.3 Upgrade the M&E system and train the staff and implementing partners on using it	12/31/21	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A6: UNFPA should continue to strengthen CP management, quality assurance and monitoring and evaluation, in a way that promotes systematic cooperation between programmes areas and their integration as well as standardization of approaches between programmes and implementing partners..	Accepted	Iraq CO	High	6. Strengthen-M&E	6.4 Apply unified template for WP monitoring to all projects and conduct a learning session to UNFPA programme staff and IPs	12/31/21	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A6: UNFPA should continue to strengthen CP management, quality assurance and monitoring and evaluation, in a way that promotes systematic cooperation between programmes areas and their integration as well as standardization of approaches between programmes and implementing partners..	Accepted	Iraq CO	High	6. Strengthen-M&E	6.5 Conduct a CPE, one evaluations and mid-term review and 4 impact assessments to strengthen country program management	12/31/24	YES
Iraq Country Programme Evaluation (2016-2019)	2019	Iraq CO	Country Programme Evaluation (CPE)	AS	Evaluation Coverage Time Period	2016-2019	1/1/15	5/30/16	2. Programme focus	A6: UNFPA should continue to strengthen CP management, quality assurance and monitoring and evaluation, in a way that promotes systematic cooperation between programmes areas and their integration as well as standardization of approaches between programmes and implementing partners..	Accepted	Iraq CO	High	6. Strengthen-M&E	6.6 Conduct learnings session on good practices and ensure annual reporting on them	12/31/21	YES
