LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R1 - Increase the focus on accelerating progress towards the three transformative results in the next Regional Programme	1. Increase the focus on accelerating progress towards the three transformative results in the next Regional Programme, ensuring that strategies are aligned with the regional context, using a LNOB approach and the normative role of UNFPA. Simultaneously, capture and communicate advancements and outcomes in key areas not visible in the 3TRs.	Accepted	High	1.1 Advance Comprehensive Care Systems in Demographic Convergence Countries	1.1 Support COs in advancing comprehensive care systems in demographic convergence countries focusing on maternity, adulthood transition, and active aging	12/31/2026
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R1 - Increase the focus on accelerating progress towards the three transformative results in the next Regional Programme	1. Increase the focus on accelerating progress towards the three transformative results in the next Regional Programme, ensuring that strategies are aligned with the regional context, using a LNOB approach and the normative role of UNFPA. Simultaneously, capture and communicate advancements and outcomes in key areas not visible in the 3TRs.	Accepted	High	1.2 Define Life Course Approach for Next Regional Programme	1.2 Define the life course approach's scope for the next regional programme by specifying its conceptual boundaries, relevant life stages and transitions in the regional context, and how it will inform programme priorities and interventions	12/31/2025
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R1 - Increase the focus on accelerating progress towards the three transformative results in the next Regional Programme	1. Increase the focus on accelerating progress towards the three transformative results in the next Regional Programme, ensuring that strategies are aligned with the regional context, using a LNOB approach and the normative role of UNFPA. Simultaneously, capture and communicate advancements and outcomes in key areas not visible in the 3TRs.	Accepted	High	1.3 Integrate LNOB and Normative Role into New Regional Programme	1.3 Integrate the LNOB principle and the normative role operationally into the new Regional Programme and strategic interventions, rather than in specific and isolated projects or initiatives.	12/31/2025
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R1 - Increase the focus on accelerating progress towards the three transformative results in the next Regional Programme	1. Increase the focus on accelerating progress towards the three transformative results in the next Regional Programme, ensuring that strategies are aligned with the regional context, using a LNOB approach and the normative role of UNFPA. Simultaneously, capture and communicate advancements and outcomes in key areas not visible in the 3TRs.	Accepted	High	1.4 Develop Humanitarian-Development Nexus Conceptual Framework	1.4 Develop a clear conceptual framework that addresses the humanitarian and development nexus, ensuring the necessary flexibility to adapt approaches according to the specific context	12/31/2026
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R2 - Operationalize the concept of accelerator by strengthening the links between concepts and programmatic approaches	2. Operationalize the concept of accelerator by strengthening the links between concepts and programmatic approaches of the SP and the RP, and between the accelerators and strategic shifts.	Accepted	High	2.1 Finalize Accelerator Concept Analysis for CO Internalization	2.1 Complete the comprehensive analysis of the accelerator concept led by LACRO to ensure its proper internalization within Country Offices	12/31/2026
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R2 - Operationalize the concept of accelerator by strengthening the links between concepts and programmatic approaches	2. Operationalize the concept of accelerator by strengthening the links between concepts and programmatic approaches of the SP and the RP, and between the accelerators and strategic shifts.	Accepted	High	2.2 Support COs in Developing Integrated Acceleration Approaches for CPDs	2.2 Support COs in creating integrated, context-specific acceleration approaches that are reflected in their Country Programme Documents (CPDs)	12/31/2027

LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R2 - Operationalize the concept of accelerator by strengthening the links between concepts and programmatic approaches	2- Operationalize the concept of accelerator by strengthening the links between concepts and programmatic approaches of the SP and the RP, and between the accelerators and strategic shifts.	Accepted	High	2.3 Integrate Accelerator Strategy into next Regional Programme	2.3 Integration and articulation of the accelerator strategy into the LAC Regional Programme 2026-29, with a view to identify common critical bottlenecks among countries and design response and implementation plans to achieve greater scale	12/31/2025
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R3 - Advance the Resource Mobilization Strategy using a proactive, comprehensive, and multi-level approach.	3 - Advance the Resource Mobilization Strategy using a proactive, comprehensive, and multi-level approach.	Accepted	High	3.1 Foster Multi-Stakeholder Coalitions on Key Issues	3.1 Continue fostering multi-stakeholder coalitions on specific issues (i.e. Zero Adolescent Pregnancy Movement).	12/31/2026
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R3 - Advance the Resource Mobilization Strategy using a proactive, comprehensive, and multi-level approach.	3 - Advance the Resource Mobilization Strategy using a proactive, comprehensive, and multi-level approach.	Accepted	High	3.2 Strengthen Diversified Partnerships for Acceleration Funding	3.2 Continue strengthening diversified partnerships with the private sector, individual giving donors, IFIs, and governments, for critical areas related to acceleration, such as funding to funding and financing, and strategic communications	12/31/2027
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R3 - Advance the Resource Mobilization Strategy using a proactive, comprehensive, and multi-level approach.	3 - Advance the Resource Mobilization Strategy using a proactive, comprehensive, and multi-level approach.	Accepted	High	3.3 Develop Training for Funding to Financing Shift	3.3 Develop a training and capacity-building strategy to advance the shift from funding to funding and financing in the next generation of country programmes	12/31/2026
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R4 - Enhance organizational capacity in operational, human, and financial resources.	4 - Enhance organizational capacity in operational, human, and financial resources.	Accepted	High	4.1 Enhance Staff Capacities in Operational and Financial Procedures	4.1 Strengthen staff capacities in operational, financial, and administrative procedures to enhance organizational efficiency and ensure timely resource management	12/31/2026
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R4 - Enhance organizational capacity in operational, human, and financial resources.	4 - Enhance organizational capacity in operational, human, and financial resources.	Accepted	High	4.2 Promote Team Wellbeing Initiatives	4.2 Continue the promotion of initiatives that strengthen and ensure the wellbeing of the teams (i.e. Wellbeing sessions: Heartfulness)	12/31/2026
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R4 - Enhance organizational capacity in operational, human, and financial resources.	4 - Enhance organizational capacity in operational, human, and financial resources.	Accepted	High	4.3 Implement and Maintain Robust Knowledge Management for Global Platform	4.3 Implement and maintain robust knowledge management processes for Global Platform support	12/31/2026
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R5 - Development of a business model adapted to the specific realities of the Region.	Development of a business model adapted to the specific realities of the Region	Accepted	High	5.1 Establish Regional Thematic Clusters Among COs	5.1 Establish regional thematic clusters among Country Offices to collaboratively leverage their strengths and local knowledge for maximum intervention impact through shared expertise and scaled solutions	12/31/2026
LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R5 - Development of a business model adapted to the specific realities of the Region.	Development of a business model adapted to the specific realities of the Region	Accepted	High	5.2 Implement Targeted Data & Evidence Generation in MIC/HIC	5.2 Implement targeted data and evidence generation initiatives with CO's at regional level, partners, and donors in middle- and high-income countries to strengthen collaboration and resource mobilization	12/31/2026

LACRO Regional Programme Evaluation (2022-2025)	2024	LACRO	Regional Programme Evaluation (RPE)	LAC	2022-2024	1/1/22	12/31/24	R5 - Development of a business model adapted to the specific realities of the Region.	Development of a business model adapted to the specific realities of the Region	Accepted	High	5.3 Develop Regional Resource Sharing Approach for Normative Role and Advocacy	5.3 Develop a comprehensive and efficient regional approach that strategically shares resources to amplify UNFPA's normative role, policy dialogue, and advocacy efforts for regulatory and public policy changes, ensuring a universal mandate across the region.	12/31/2026
