Q&A / Member States perspectives

Assessment framework: MOPAN 3.1

Changes since 2020: revised, streamlined framework and more flexibility

- Principles of 2030 Agenda integrated
- Additional elements related to UNDS reforms
- Protection from SEA/SH

Changes in process:

- *Bolstered inception phase* to discuss specificities of the assessment and possible adaptations
- *Flexibility* in defining relevant survey partners and countries
- New: *Preliminary Findings*

Inception: Context shapes the assessment

Time frame:
2019 to
mid-2024

Vision & strategic plan

- Continued emphasis on achieving the TRs by 2030
- Introduction of “accelerators” to speed up progress
- MTR and independent evaluation underway

Operating model

- Replacement of quadrants with tiers to classify and prioritize countries
- More flexibility at country level to select mode of engagement
- Considerable reliance on IPs and non-staff personnel

Structure

- Presence at three levels - HQ, region (sub-region), country
- 86% of workforce outside New York
- Upgraded Humanitarian Office and ongoing “HQ optimization” process

Finances

- Financial growth over last decade
- Increasing dependency on non-core resources
- Considerable financial contributions from other UN agencies

Global context

- Conflict/crises; climate change/natural disasters; migration; COVID-19
- UNDS reform; UN 2.0 initiative
- International community emphasis on the HDP nexus and on PSEAH

MOPAN provides two main outputs

Institutional Performance Assessments

Lessons in Multilateral Effectiveness

MOPAN Methodology: Framing questions (unchanged)

- Does UNFPA have sufficient understanding of the **needs and demands it faces in the present**, and may face in the future?
- Is UNFPA **using its assets and comparative advantages to maximum effect** in the present, and is it prepared for the future?
- Are UNFPA's **systems, planning and operations** fit for purpose? Are they geared in terms of operations to deliver on its mandate?
- Is UNFPA **delivering and demonstrating relevant and sustainable results** in a cost-efficient way?

► These questions will be contextualised

3 lines of evidence:

Documents

- **Governance, management:** Financials, strategic plans, policies, procedures, etc.
- **Operations, relationships:** financing, partnership strategies etc.
- **Performance:** evaluations (thematic and country), audits, results reports, etc.

Survey

- Online Partner Survey
- From a sample of 10-15 countries selected in line with defined criteria, & global
- **Partners include:**
 - ▶ Governing partners (EB)
 - Financial partners
 - Implementing partners
 - Peer organisations
 - Knowledge partners

Interviews

- Interviews happen at **2 stages:** Inception & Evidence Collection
- **Interviewees:**
 - relevant UNFPA staff and management from HQ, Regional and Country offices
 - ▶ Executive Board
